## YOU

are someone who is passionate about design.

think forward and bring questions.

know what Sketch and Photoshop is.

are interested in digital trends and technology.

## WE

give profound insights in digital product & service design.

provide the opportunity for a steep learning curve – personally & professionally.

build together perfect fit solutions for our partners like Allianz, BMW, REWE, etc.

will give you the time to develop and money to survive.

## PARTICIPATE

Send us your selected work samples and a short video message to **jobs@zeich.ma** in which you answer the following questions:

When do you reach limits?

Where do you see yourself three years from now?

What is design for you?
