YOU

have the attitude of a motivated designer that is willing to evolve.

know what design is in fact and how it works.

have the perfect feeling to animate pixels smoothly.

are a Sketch or Photoshop pro.

WE

will take you to the front line of designing digital products.

provide you an opportunity to reach the next experience level.

build together perfect fit solutions for our clients like Allianz, BMW, REWE.

find a pleasant way to combine work, studies and having a good time.

PARTICIPATE

Send us your selected work samples and a short video message to **jobs@zeich.ma** in which you answer the following questions:

Where do you see ZEICH three years from now?

What would you like to advance as designer?

What have you done on your most successful day?
